

Confirmation

Verification of statistical safety for transition to test certificates 3.1

Certificate no.: **01 202 317/Q-01 0007/112**

Name and address of the manufacturer: **Slawinski & Co. GmbH
Industriestraße 11
D - 57076 Siegen**

The manufacturer proved with evidence of adequate statistical reliability, that the necessary requirements for materials mentioned below under scope, are met. The manufacturer is authorized to supply the specified steel grades with an inspection certificate 3.1 instead of 3.2. He is obliged to add the following note to the inspection certificate:

“Confirmation of adequate statistical reliability for dimensions ≤ 30 mm thickness for transition to an inspection certificate 3.1 with confirmation issued by TÜV Rheinland Industrie Service GmbH dated 06.03.2020”

Tested acc. to Directive 2014/68/EU: **AD 2000-Merkblatt W 1 para. 5 and table 3**

Scope of Approval: Manufacturing safety for flat materials made from unalloyed and alloyed steels acc. to AD 2000-Merkblatt W 1 and DIN EN 10028-2 and -3

Audit report no.: **01 202 317/Q-01 0007**

Range of materials: Parts made from flat material with thickness ≤ 30 mm of steel grades: P355GH; P355N, P355NH

Manufacturing plant: **Slawinski & Co. GmbH
Industriestraße 11
D - 57076 Siegen**

Valid until: January 31, 2023
